## MAINTENANCE

All Finishes : Clean the finish with mild soap and warm water. Wipe entire surface completely dry with clean soft cloth. Many cleaners may contain chemicals, such as ammonia, chlorine, toilet cleaner etc. which could adversely affect the finish and are not recommended for cleaning

## ATTENTION

1. Don't use abrasive cleaners or solvents on faucets and fittings.
2. As the product model is constantly updated, the actual product may not look the same as it shown in the diagram, but the basic installation principles are the same.
